INVESTMENT POLICY

The portfolio composition focuses mainly on listed equity-type or equity-related financial instruments (i.e. convertible bonds, warrants, derivatives), mainly European but the Management Company does have the

option to invest in equities at a global level. Regarding the investment sectors, most of the portfolio's securities will focus on consumer goods (durable and non-durable), media, business services and distribution.

OBJECTIVES

The Fund's goal is to achieve a positive absolute return over the medium term by implementing a long/short equity-type strategy.
